

The Town of La Conner is updating its Parks Plan, which will be incorporated into the Town's Comprehensive Plan. We need your assistance in identifying what recreational opportunities the community wants. We want our plan to reflect priorities that local residents and business owners feel are most important. We also want our plan to meet a full range of community interests. Once the plan has been adopted, the Town will be able to budget for recreation projects to meet the community's goals.

The survey below is divided into active and passive recreation activities, and includes examples of each. Please take a few minutes to fill it out and return it to Town Hall with your utility payment. **We also encourage you to add any relevant comments you may have on the back.** The survey form will also be posted on the Town's website for those who prefer to submit it electronically. **Surveys are due by September 1st.** If you would like to review the Town's existing Parks Plan, you can find it online at: <https://www.townoflaconner.org/DocumentCenter/View/147/2013-Park-Plan-adopted-2-12-13-PDF>

We look forward to hearing your suggestions and comments. If you have any questions, please contact Scott Thomas, Town Administrator, at (360) 466-3125 or by email at administrator@townoflaconner.org
