

**TOWN OF LA CONNER  
BUILDING PERMIT APPLICATION  
CLASS I**

Applications requiring a building permit must first be submitted to the Town of La Conner for land use review and approval, and then submitted to Skagit County Planning and Permit Center for plan review and issuance of a building permit.

***A complete application includes all applicable fees, the completed form(s) and any required plans, cross-sections, site assessments, project contact list and reports. Incomplete applications will delay project review.***
