

## Moore Clark Subarea Plan – tell us your objectives!

We (Town of La Conner) are about to develop a subarea plan for the Moore Clark property – located between First and Third Street, and Maple Hall and Caledonia Street. The planning process will take about 4 months and involve several public workshops during September-November. The subarea plan will define allowable land use activities, parking requirements, building design concepts, and amenities.

We would like to know your interest and opinions to be considered in the subarea planning process. As a thank you for your time, you'll have a chance to **win a \$250 gift certificate**. We truly appreciate your input and look forward to hearing from you. Scan the QR code below or you can take the survey online at:
