1	Would have preferred the entire space used as a park with no houses!	11/8/2021 2:15 PM
2	How long Maple Avenue side trees to buffer sound and pollution by vehicles on Maple. Trees to not feel overlooked by whatever housing is right there. An open seating area with large overhang. People could sit and look at native plants and trees. Whoever designed the butterfly garden enlisted that level of sensitivity and artistry. Where would parking exist?	11/8/2021 2:07 PM
3	Will there be a bathroom and drinking fountain? One unisex toilet would be good.	11/8/2021 1:55 PM
4	Can the houses. Make the whole area a park with all the items and it mentioned above... Maybe not the dog park. Invest in the young lives	11/8/2021 1:38 PM

11	Open space!	11/8/2021 12:02 PM
12	no houses! return it bak to ball fields. this will be a bigger loss, in hindsight, than you all can imagine. a loss for kids from la Conner as well as all the kids in the county that come here to play. it sends a message to all counties that la Conner doesn't care for it's youngsters.	11/8/2021 11:26 AM

64	A covered performing arts stage	9/30/2021 9:30 PM
65	I'd like the plants there to be native plants friendly to birds and pollinators!	9/30/2021 8:55 PM

81	I do not think that the space is large enough for any sport courts or playground equipment. It should be a well maintained and well manicured grassy area. That is to say an open space.	9/29/2021 9:08 PM
82	No	9/29/2021 8:59 PM
83	It would be great if the space could accommodate tball and micro soccer. We'd like to see an outdoor grill space, water fountain, and a park that highlights the adjacent farmland and views (ie parking on Talbot instead of the east side adjacent to farmland). Some acknowledgment of the Hedlin family (if they want it) would be wonderful and a way to acknowledge the decades of both tribal and non-tribal kids playing sports there together.	9/29/2021 8:30 PM
84	off-leash dog park with water and benches	9/29/2021 7:03 PM

94	No	9/22/2021 2:57 PM
95	Dog park	9/21/2021 6:03 PM
96	It would nice to have a community BBQ with a picnic table.	9/21/2021 12:18 PM
97	No, but when I say benches and tables, I mean very few. Leaving as much as multi-purpose green space is ideal.	9/21/2021 9:09 AM
98	Splash Park,	9/20/2021 10:53 PM
99	I would like to see it left open with no permanent improvements aside from a picnic table or two.	9/20/2021 7:15 PM
100	Walking path	9/20/2021 2:32 PM
101	You guys screwed up quit acting like a big city. Get back to your roots. Give the money back and put the ball field back	9/20/2021 12:29 PM
102	Natural vegetation, minimal maintenance to make it green/sustainable, rain garden approach to any plantings and paving.	9/20/2021 11:20 AM
103	I highly encourage that the open space use to be retained to some degree. On that note, the only other open space areas are across the Rainbow bridge. Regardless, I was told months ago that the plot was to be used for housing development—I couldn't be more relieved that is not the case, and there are plans to enrich Maple Avenue Park instead :)	9/20/2021 8:05 AM
104	Minimize use of the space for parking. One thing we don't need is another parking lot.	9/20/2021 7:43 AM
105	A place for families or groups of friends to hang out at different picnic tables/bench areas where they can be distant from other groups. Need covered spots as well. Bike racks. Maybe a small area can be a splash park.	9/20/2021 6:45 AM
106	Splash pad, playground for the kids- bigger equipment than the one by maple hall. Mimic the schools equipment.	9/20/2021 6:18 AM
107	No	9/20/2021 5:57 AM
108	Dog Park with trees, benches, socializing area, water feature	9/19/2021 10:06 PM

110	Restroom facilities and drinking fountain	9/19/2021 9:05 PM
111	This space is really too small for sports use, could be a nice play ground but I don't have kids so I'd be more into a garden with trees and places to sit.	9/19/2021 8:58 PM
112	Leave it as is. Are we that desperate for money?	9/19/2021 8:36 PM
113	Features for all ages.	9/19/2021 8:11 PM

117	Park to sit and enjoy the outdoors. Children and dogs playing. No sport courts	9/19/2021 7:06 PM
118	Add a baby only swing please. There are no public baby swings in La Conner, and if micro soccer/ tball can play here, a baby swing is so helpful for parents to safely entertain little ones while the older kids play!	9/19/2021 6:43 PM
119	No	9/19/2021 6:42 PM
120	Children play area	9/19/2021 6:13 PM
121	Affordable housing for low income Service workers like the Park St apt	9/19/2021 6:07 PM
122	Do not build new homes	9/19/2021 5:52 PM

What would you like to see at the park on Maple Avenue?

123	Residents will benefit by having a green space that provides comfort to the eye, a bit of grass that soaks up carbon dioxide and offers a bit of oxygen. It offers a space to occupy, to just be in, to slow down and relax, lie down and look up at the blue sky.	9/19/2021 3:47 PM
124	Providing green space for kids and animals to use and green space for the eye, to soak up sun and carbon dioxide and have it provide a bit of oxygen back to us is the highest, best use I can envision.	9/19/2021 3:40 PM
125	Make sure the adjacent housing does not encroach on or have direct access to the park	9/18/2021 7:45 PM
126	Lots and lots of trees. La Conner is losing its tree canopy by the week, and our tree ordinance is largely ignored. Best way to fight climate change is to plant trees.	9/18/2021 3:13 PM
127	Install a splash park	9/18/2021 3:11 PM
128	Incorporation of a water fountain play area would be a wonderful addition for children of our town.	9/18/2021 9:17 AM
129	A porta potty like the pocket park by the administration building so kids can use it. Less parking or a bike locking rack.	9/18/2021 8:57 AM
130	Trees Minimum of construction	9/18/2021 7:19 AM
131	no	9/16/2021 10:48 AM
132	Other things could be added at a later date IF leaving the park as grass and green space doesn't work out. It was grass and a ball field, let's keep it that way!	9/14/2021 11:17 PM
133	Dog park area	9/11/2021 5:52 PM
134	No	9/10/2021 10:13 AM
135	Apple tree	9/7/2021 6:36 PM
136	I'd like to see numerous trees, park benches, and a few picnic tables. I don't want a dog use area.	9/7/2021 1:14 PM
137	Please don't pave this open green space. Improvements to drainage would increase use in the winter. If fully fenced this will be used solely for dogs. Partially fenced along Maple Ave would improve safety. A parking lot along the east end of the park will make the park feel much smaller, will reduce the view of farmland for the whole town/neighbors/visitors and will make the best drained area impermeable, adding to the drainage issues.	8/28/2021 10:22 PM
