**Subject:** SAVE OUR VALLEY! STOP SKAGIT SPRAWL! NO TO FCCs

Dear Representatives of the Valley:

When we voted for you, we voted with the confidence that you are FOR protecting our valley and farmlands and not willing to cave in to big builders (out of state for that matter) wanting to decimate DECADES of history of farmlands in the valley. When my family visits the valley, everyone is in absolute awe at the beauty and richness of farmlands, animals, garden centers, etc. There just isn't ANYTHING like Skagit valley in western WA. Why would you want to change it? Is there a benefit for our elected officials to sell off the farmland?

The valley is one of the last working farms in western WA. To destroy the valley would destroy people of their homes and traditions. We have great pride in our valley, you should too.

Please stop the land grab. Help us keep our valley.

Thank you for service to the people in skagit valley. Please, let's all stand together on this. Protect our valley.

Sincerely,

Jeri Griffin  
Mount Vernon, WA
